COSMOPOLITAN

A MUST FOR ALL INDIVIDUALISTS

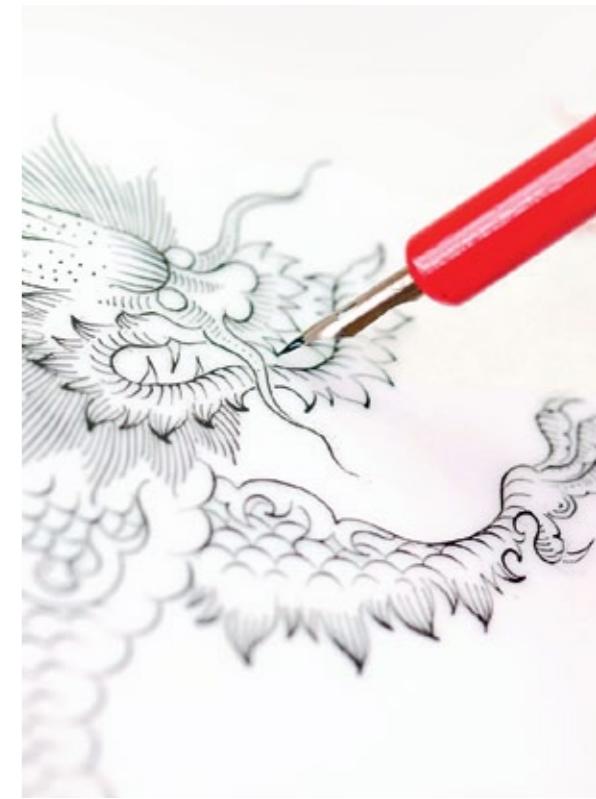

MEISSEN® COSMOPOLITAN speaks a contemporary, architectonically influenced language of forms that discreetly recalls the noble table silver of modern grand hotels. Both the form of this service and the infinite possibilities it offers are unique – not only for MEISSEN®, but also for the culture of fine dining in general.

MEISSEN® COSMOPOLITAN is also appealing because its surfaces are designed in a totally new and sensual style, with a spectrum ranging from classical white and lush gold through precious platinum to mesh textures

and unconventionally sketched décors. Sleekly simple today, daringly eccentric tomorrow? MEISSEN® COSMOPOLITAN is the service for individualists – for people who love specialness. Be your own designer and create your own personal accents – newly each day! Draw upon the diversity of the decorative worlds of MEISSEN® COSMOPOLITAN and create your uniquely individual table arrangement to suit the momentary mood and occasion.

MEISSEN® COSMOPOLITAN: one table service, unlimited possibilities.

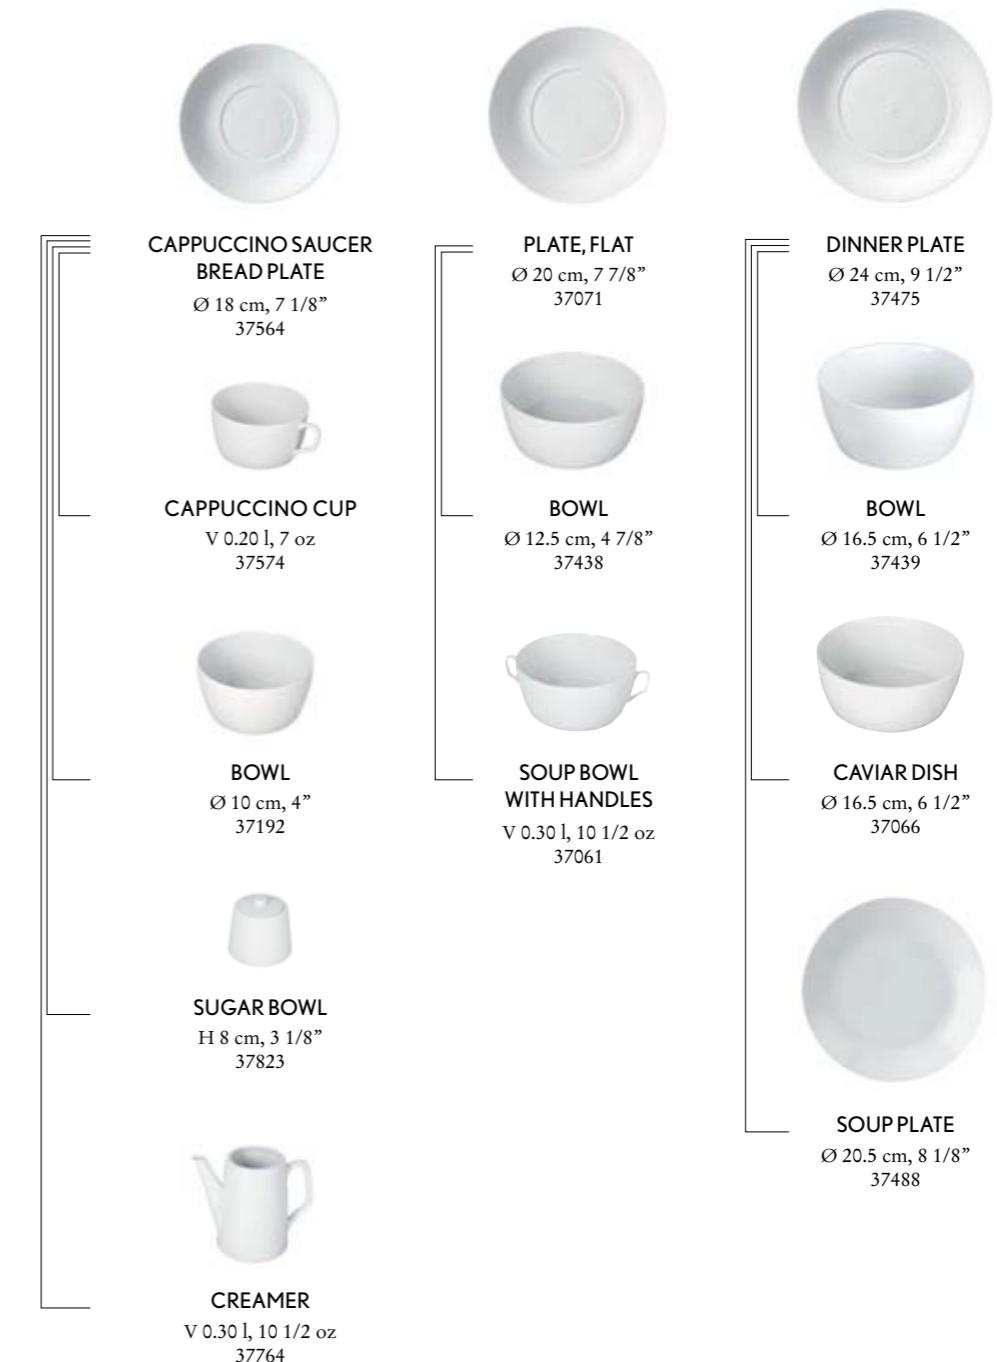

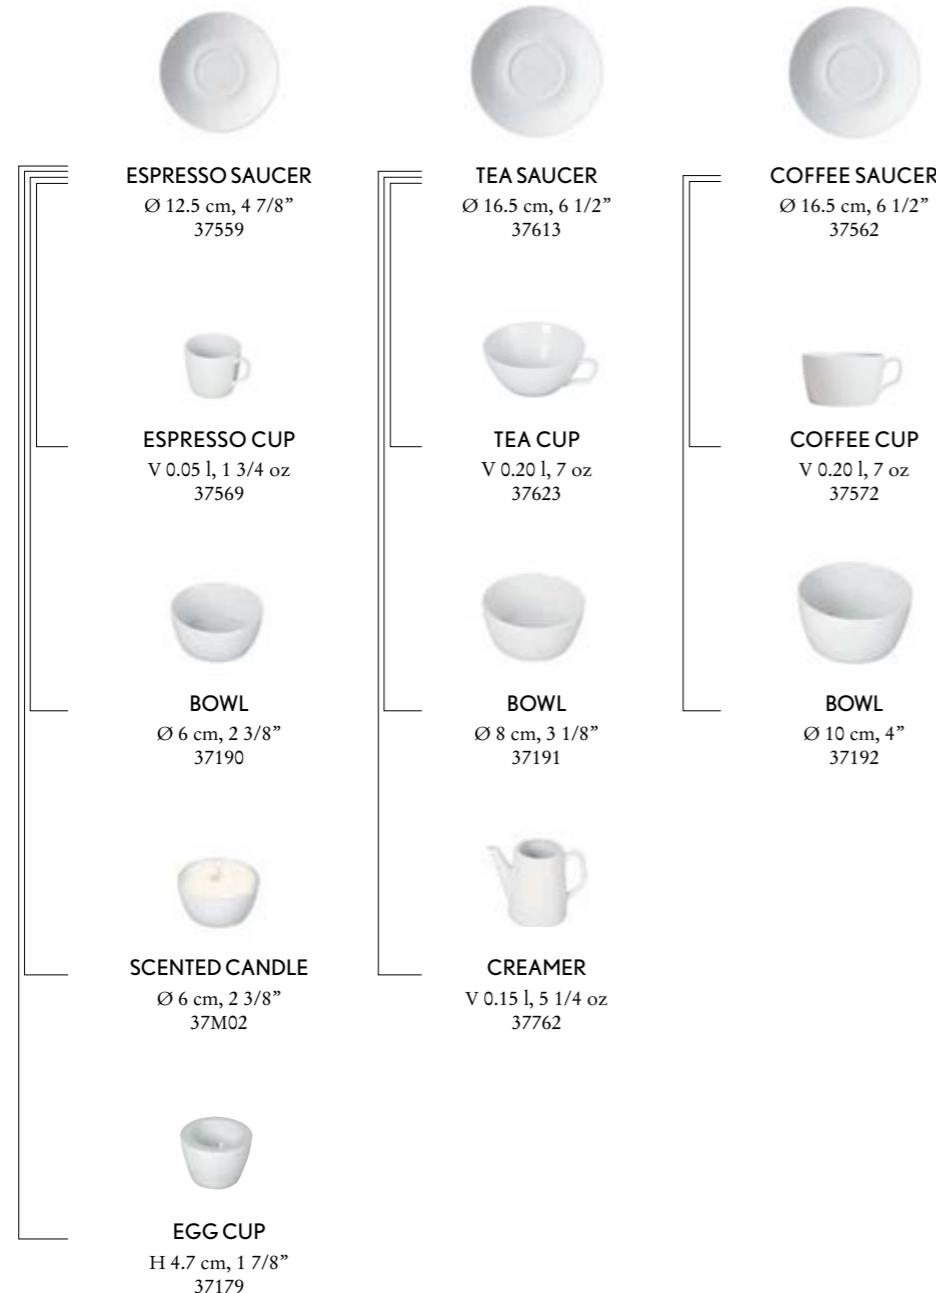

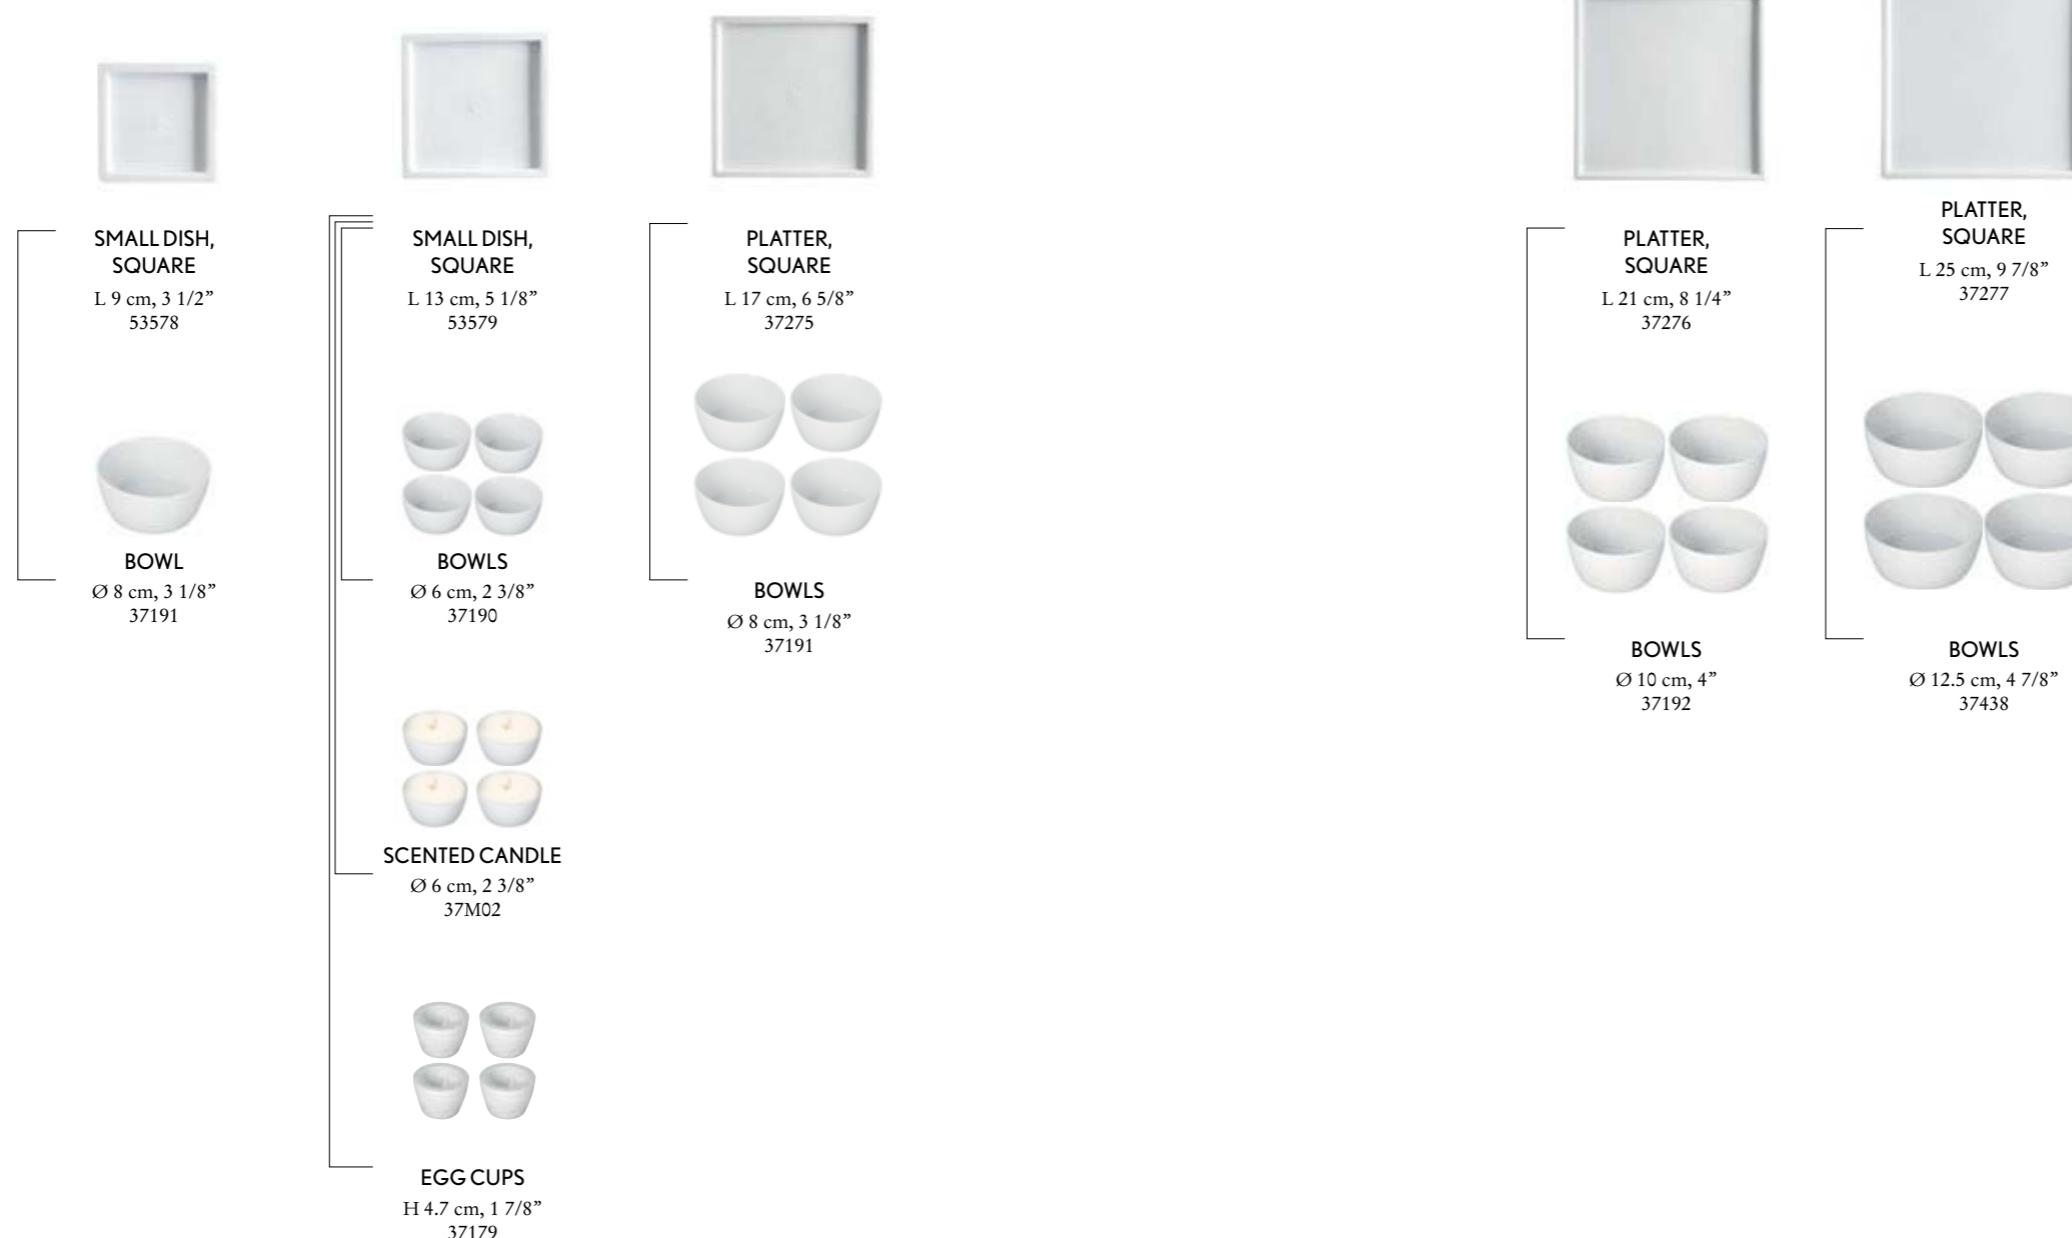

THE BUILDING BLOCKS

Modern, elegant and wonderfully versatile. MEISSEN® COSMOPOLITAN changes the way we think about dining services. It provides the freedom and flexibility to create new combinations every day depending on the occasion and atmosphere. You can use it as a complete service or put together individual pieces and so enjoy endless possibilities and functions with just a few pieces.

THE BUILDING BLOCKS

The platters and plates of MEISSEN® COSMOPOLITAN let you create many different arrangements: for hors d'oeuvres, desserts or as atmospheric table decorations with fragrant candles. The lengths and diameters of each individual element harmonise with the proportions of all the others.

THE DÉCOR WORLDS

From pure white, through gold and platinum, to the vibrant colours of Royal Palace and the Miami Style; or the fine and artistic draughtsmanship of Blue Orchid or the Ming dragon: the noble décors of MEISSEN® COSMOPOLITAN are as diverse as your taste.

MEISSEN® COSMOPOLITAN ROYAL PALACE BLACK TURQUOISE WHITE RED

For “Royal Palace”, we returned to the place where it all began three centuries ago: Albrechtsburg in Meissen, where our merchandise was manufactured for 150 years. The castle’s historic mosaic floors provided the inspiration for the geometrically modern décor of “Royal Palace”. In elegant black, stylish turquoise, sublime white and lush red, this graphic pattern regally celebrates the high art of fine dining.

HISTORICAL PATTERN: THE GEOMETRIC DÉCOR OF ROYAL PALACE IS INSPIRED BY THE MOSAIC FLOORS OF ALBRECHTSBURG IN MEISSEN, THE HOME AND PRODUCTION SITE OF THE MEISSEN MANUFACTORY UNTIL 1863.

MEISSEN® COSMOPOLITAN BLUE ORCHID

We are always creating new things from the treasures in our archives, our own artistic heritage, and the "Blue Orchid" décor by MEISSEN® is part of this tradition. The beautifully painted cobalt blue flower is inspired by "Blue orchid on branch" from the 1970s. It is one of the most popular of the approx. 100 décors created by the brilliant Professor Heinz Werner for the Meissen manufactory. With "Blue Orchid", MEISSEN® COSMOPOLITAN has incorporated an element of Werner's motif and placed it at the heart of its Mesh Platinum décor. A minimalist Asian look that pays homage to a master of his art.

MEISSEN® COSMOPOLITAN BLACK MING DRAGON PLATINUM

It stands for preternatural wisdom, the spirit of change, sun, light and the male power of the yang: the Chinese Ming dragon is one of the oldest and most popular décors by MEISSEN®. Although created in 1740 based on Asian templates, in combination with clear, architectural shapes of MEISSEN® COSMOPOLITAN and with a fine platinum rim, it has a uniquely contemporary look. By the way, the typical MEISSEN® depiction of the dragon with four toes was originally reserved for items used by royal princes in ancient China.

MEISSEN® COSMOPOLITAN MIAMI STYLE RED SUNSET TURQUOISE SEA

Radiantly blue skies, turquoise-coloured sea, sun, palm trees and flamingos: Miami is colourful, modern and a centre of the international art scene. It's not for nothing that "Art Miami", one of the most important art fairs in the world, takes place here every year. The art created in Miami reflects the vibrantly colourful city. It also inspired the new décor "Miami Style" by MEISSEN® COSMOPOLITAN – with two new colours that are as radiant, rich and fresh as Miami itself. "Red Sunset" and "Turquoise Sea" perfectly reflect the charm and spirit of Florida's metropolis. Welcome to Miami!

each item's fabrication. Furthermore, the dimensions of the artefacts are subject to minor variations caused by factors inherent to ceramic technology.
